VII. SCOWIB Directors Discussions

1. From your experience/perspective as a business, organization, or community decision maker and leader, what challenges impact the workforce today resulting in:

--Lack of participation in continuing education or training;

--Absences from the job;

--Drug and alcohol use/abuse;

--Lack of initiative;

--Poor leadership ability; and,

--Other?

2. Your thoughts and opinions on the following topics:

--If center hours to the public do not change, is allowing center staff to work flexible schedules a strategic issue that should be addressed by SCOWIB?

--What do you believe the outcomes or benefits to customers would be if flexible schedules were implemented in the centers?

--If two organizations provide services in a center and one organization implements coordinated flexible schedule and the other cannot or will not implement a coordinated flexible, what impact do you envision on staff in the center?

--Other thoughts?
