

Section (Points possible)	Metric (Points possible)	Score
B. Scope of Work (40)	3 points for each county served (24)	
	Projected Units meet or exceed minimum (4)	
	Projected Units exceed minimum by 10% or greater (4)	
	Projected unduplicated served meets minimum (4)	
	Activities meet the scope of work definition (4)	
C. Service Implementation (20)	Staff Utilized listed in narrative (2)	
	Persons to be served incl. in narrative (2)	
	Job descriptions included (2)	
	Services provided to Title III nutrition sites by established routes (6)	
	On demand services available (6)	
	Emergency preparedness plan includes influenza and pneumonia (2)	
D. Characteristics of the Project Area (20)	Proposal includes clear geographic boundary (4)	
	Map included (4)	
	ASCOG demographic data included in proposal (2)	
	Project demographic data included in proposal (4)	
	Low-income minority individuals clearly stated (3)	
	Individuals in rural areas listed clearly stated (3)	
G. Targeting (20)	Includes clear marketing plan for rural residents (2)	
	Clear marketing plan for those with greatest economic need (2)	
	Clear marketing plan for those with greatest social need (2)	
	Clear marketing plan for those with severe disabilities (2)	
	Clear marketing plan for those with limited English (2)	
	Clear marketing plan for those with Alzheimer's (2)	
	Clear marketing plan for ADL and IADL impairments (2)	
	Clear marketing plan for those living alone (2)	
	Clear marketing plan for caregivers (1)	
	Clear marketing plan for grandparents raising grandchildren (1)	
	Project brochures and marketing tools attached (2)	
H. Coordination (20)	Narrative describes coordination activities with at least 5 other agencies/resources. (4)	
	Narrative describes joint planning (4)	
	Narrative describes joint training (4)	
	Narrative describes joint public relations (4)	
	Narrative includes how coordination will take place with focal points. (4)	
I. Capacity of Project Sponsor (20)	History of project organization shows at least five or more years of transportation service (2)	
	Project director has at least five years of experience in related field (8)	

	Agency clearly documents at least one vehicle for each county served/physical capacity to provide transportation (2)	
	Project clearly documents at least five years' experience with target populations (2)	
	Project includes clearly identified plan to prevent disruption of services (2)	
	Project has clear plan to provide adequate training to staff (2)	
	Project has capacity to communicate through modern technology (2)	
	Project has at least 45 days funding available (4)	
J. Evaluation/Quality Assurance (20)	Narrative clearly identifies how Q/A will be achieved (2)	
	Narrative clearly identifies who is assigned responsibility for Q/A (2)	
	Narrative clearly identifies Q/A activities (2)	
	Narrative clearly identifies where Q/A takes place (2)	
	Narrative clearly identifies actions in response to Q/A (2)	
	Safety checklists included (5)	
	Maintenance checklists included (5)
